Aldingbourne Parish Council is committed to the ongoing training and development of all Councillors and Staff to ensure the highest standard of representation and services for the residents of the Parish.

This policy sets out:

## **Commitment to Training and Development**

The objectives of this policy are to:

- encourage councillors and staff to undertake appropriate training and development
- allocate training in a fair manner
- ensure that training and development is evaluated in order to judge its value to both the Council and individuals.

Aldingbourne Parish Council recognises that one of its most important resources is its Staff and Councillors therefore is committed to encouraging the enhancement of their knowledge and qualifications through appropriate training and development as well as being kept up to date with appropriate new legislation.

The Council expects its staff to undertake a programme of continuing professional development (CPD) in line with their role and the requirements of their professional bodies.

Therefore, the Parish Council will subscribe to the Society of Local Council Clerks (SLCC) and Surrey and Sussex Association of Local Councils (SSALC) each municipal year.

To support this, funds will be allocated to a training budget each year to enable Staff and Councillors to attend training events and conferences relevant to their duties and the needs of the Parish Council.

### **The Identification of Training and Development Needs**

The Clerk will identify training and development for all Staff, including the Clerk, and Councillors. The Clerk will identify appropriate training and development opportunities to meet the ascertained training and development needs.

The Council will approve training and development opportunities for Councillors and Staff. Staff and Councillors who wish to be nominated for training and development provision should discuss this in the first instance with the Clerk or Staffing Committee (as appropriate) upon which it will be determined whether the training and development is relevant to the Council's needs and/or service delivery.

Appropriate training and development will be necessary to ensure that both Staff and Councillors are aware of their legal responsibilities or the Council's requirements, e.g. health and safety, risk management, employment law and equal opportunities. Both Staff and Councillors will be required to attend training courses, workshops or seminars where suitable provision is identified.

As soon as practicable after joining the Council, a parish councillor will attend appropriate training sessions to familiarise themselves with the general work of a parish council.

The Clerk will provide a welcome pack to all new councillors.

The pack will include the following:

- SSALC Welcome Pack
- Contact details for Councillors and the Clerk
