

Aldingbourne Parish Council is working to create a Neighbourhood development plan as part of the opportunity provided under the recent Localism Act.

This plan we feel must involve the views and contributions of local residents and employers. Without your involvement it will not accurately reflect what you desire and expect for the future of your parish.

Your details will be held confidentially and only used to aggregate the results across the parish and to inform by your suggestions the creation of the neighbourhood plan.

Please take a brief amount of your time to respond to the following questions.
